SCHOOL
DISTRICT 101**

Early Childhood Screening (33 months to 5 years)

Screenings are by Appointment
Please call (630) 937-8000

Free service for families living within BPS101 boundaries!

During the preschool years, parents often wonder if their child's development is typical to same age peers. Developmental screenings are designed to address those concerns and help parents learn more about their child's skills. The screenings are completed in two phases. The first is a paper based screening completed by the caregiver. The district uses a screening tool called Ages and Stages and looks at the following areas:

1. Communication
2. Gross Motor
3. Fine Motor
4. Problem-solving
5. Personal-social

The information is reviewed by the EC screening team. Following team review an in person screening would be a follow up for children whose screening information indicated an area(s) of concern. In person screenings are conducted by a team of District Educators and Specialists.

2023-24 Screenings

August 17 & 18, 2023
(9am to 3:00pm)

February 16, 2024
